

ANA KOCIPER

Web & Digital Designer | Frontend Developer

✉ info@anakociper.com 🌐 anakociper.com 🔗 linkedin.com/in/ana-kociper 📍 Ljutomer, Slovenia

SUMMARY

Web and digital designer with frontend development experience, creating websites, SaaS products, e-commerce experiences and web applications. I work across the full process, from early concepts and UI design through frontend implementation, combining thoughtful visual design with usability, clarity and technical execution.

SKILLS

Design	Web Design, UI/UX, Responsive Design, Figma, Canva
Frontend	HTML, CSS, TypeScript, React, Astro, TailwindCSS
3D & Making	Blender, Three.js, React Three Fiber, 3D Modelling, Rendering, 3D Printing
Digital	Content Creation, Social Media Content, SEO Fundamentals, Website Optimisation

WORK EXPERIENCE

Designer & Frontend Developer

Corco Labs d.o.o. (previously Corcosoft, Borut Balazek s.p.) | Jun 2013 - Present

- Design and develop responsive websites, SaaS products, e-commerce experiences and custom web applications from initial concepts through frontend implementation.
- Create interfaces and digital experiences using Figma, Astro, React, TypeScript and TailwindCSS.
- Work across web design, UI/UX, visual design, usability, accessibility, SEO fundamentals and website optimisation.

Freelance 3D Designer & Maker

Independent Work | Sep 2017 - Present

- Create original 3D models, renders, product visualisations and physical products using Blender and 3D printing.
- Design, print, assemble and finish personalised products, branding materials, cake toppers, display stands, decorative objects and functional accessories.
- Create automotive models, product renders, environments and original visual concepts for both digital and physical applications.

SELECTED WORK

MarketAlerts	UI and frontend work for an AI-powered market research and investing platform.
MyQuant	UI and frontend work for a portfolio tracking and investment research product.
Avena	Designed and developed an e-commerce website combining wellness products with educational and lifestyle content.
